## Como Luxury estate for sale in Como

### DESCRIPTION

This historical luxury villa a few steps away from **Lake Como** is currently for sale.

This important and prestigious historic building dates back to the early 1700s and was commissioned by **Francesco Sala**, the forefather of an important and rich bourgeois family in **Milan**.

This property was used as a summer home by the family and has undergone various renovation works during the centuries, while maintaining the main and highly-charming features of the period. Besides the main villa, which has been finely restored over the years, there is still part of the building that needs to be renovated.

This property measures 2,000 m2 overall and is accessible through a big portico.

On the ground floor there is a big and bright living area with large and richly-frescoed halls, while the first floor is home to the sleeping area.

This estate for sale's obvious beauty makes it perfect to be converted into an events venue or into a luxury hotel.

This villa is adorned by a cloister with a colonnade that elegantly welcomes its guests; the same can be said for the stunning 3-hectares park surrounding the property with its rich variety of herbs and

plants.

This luxury villa is just a few minutes from the prestigious and renowned shores of **Lake Como**, more precisely, it is located in the luxurious and green **Comasco** area, close to the most important touristic and cultural centres of the province and of the region.
