DESCRIPTION

In the green and quiet **Brianza** area, a short distance from Monza and Milan, there is this **modern villa** for sale.

This villa was designed by Massimo Meda, an international artist and forefather of tridimensionalism, and thus features very particular shapes.

This property measures 280 m2 overall. The ground floor is home to a bright and spacious living area composed of a living room, a dining room, an eat-in kitchen and a handmade space with a pellet stove where you can spend some pleasant relaxing moments.

The two upper floors are instead home to the sleeping area, composed of four bedrooms, including two very comfortable suites with a double bed, and three bathrooms.

This exclusive **villa for sale** is masterfully adorned by important furniture, refined wooden floors, and high-quality finishings.

The very well-tended external area features an area with waterworks surrounded by nature.
At basement level there is a spacious garage with direct access to the villa and some other technical rooms to complete this estate for sale.
