Historical villa for sale at the outskirts of Milan

DESCRIPTION

At the outskirts of **Milan**, close to the town of **Bergamo**, there is this exclusive, 18th-century **noble villa** for sale.

Built in the late 17th century, this estate has been perfectly maintained and is currently a venue for events and ceremonies thanks to its big spaces; it has been recently renovated, bringing back to light its old noble splendour.

This three-storey villa measures approximately 2,500 m2 and features state halls, big frescoed halls, dining rooms and utility rooms.

This villa for sale's rich and lavish rooms are masterfully adorned with refined Neoclassical collections and cotto-tiled or Venetian terrazzo floors and feature ceilings frescoed by painters such as **Menga and Paolo Vincenzo Bonomini**

Besides the main villa there is also a small, one-storey hexagonal building, and two apartments for residential use.

Approximately 5 hectares of very well-tended park featuring pleasantly-scented flowers surrounds this villa for sale on the shores of river Adda.

LOCATION

Milan is the second-biggest city in Italy, a cosmopolitan, European city, and the economic pulsating heart of the country.

After WW2 Milan became a city of opportunity and today it is the financial capital of Italy, the reign of fashion and of Made in Italy design, a point of reference for both businessmen and for artists, photographers and designers.

A city rich in history, Milan's streets are perfect to explore and offers majestic monuments, piazzas and churches.

The Cathedral is the emblem of the city with its stunning Gothic architecture, it is a massive and articulated building, with tall pinnacles in gold-plated copper. Close to it, there is the church of Sant'Ambrogio, one of Italy's most ancient examples of the Lombard Romanesque style.

In the historic town centre we can find Milan's famous fashion district, as famous as those in Paris and New York; it includes Via Montenapoleone, Via della Spiga, Via Manzoni and Via Sant'Andrea, these are the undisputed symbols of the Italian and international Ready-to-wear; here there are also jewellery shops and exclusive cafès that complete Milan's luxury district.
