TECHNICAL DETAILS

LOCATION

Milan is the second largest city in Italy, a cosmopolitan, European city, and the economic pulsating heart of the country.

After WW2 Milan became a city of opportunity and today it is the financial capital of Italy, the reign of fashion and of Made in Italy design, a point of reference for both businessmen and for artists, photographers and designers.

The city is rich in history and has to be discovered and explored, with its magnificent monuments, piazzas and churches.

The Cathedral is the emblem of the city with its stunning Gothic architecture, it is a massive and articulated building, with tall pinnacles in gold-plated copper. Close to it there is the church of Sant'Ambrogio, one of Italy's most ancient examples of the Lombard Romanesque style.

In the historic town centre we can find Milan's famous fashion district, as famous as those in Paris and New York; it includes Via Montenapoleone, Via della Spiga, Via Manzoni and Via Sant'Andrea, these are the undisputed symbols of the Italian and international Ready-to-wear, home to the world's most important fashion houses and to exclusive cafès and jewellery shops that complete this luxurious area of the city.

Luxury, fashion, culture, history and art, Milan has all of this to offer and much more, such as the chance to admire Leonardo's Last Supper, located inside the church of Santa Maria delle Grazie, or to enjoy a show at the famous opera house Teatro della Scala.

Milan and its surroundings are home to prestigious apartments, luxury villas and estates of great architectural and historical value that can suit even the most demanding tastes.
