Maremma

Small luxury farm with swimming pool for sale in Maremma

DESCRIPTION

This stunning farmstead with swimming pool for sale has a swimming pool, 8,000 m2 of grounds and is surrounded by **Maremma's** beautiful countryside.

This estate is one of the three found in Banditella's area, and it was once the home of this farmstead's owners. This property was originally composed of stables on the ground floor and the land-holder's home on the first floor.

The current project is the result of careful research, whose aim is to enhance the original complex. It has used artisanal materials and finishes, something absolutely different from those commonly used when renovating or making new buildings

This villa measures 400m2, has two floors and features an external staircase that connects the ground floor with the first. There is a beautiful swimming pool right in front of the property, surrounded by cotto-tiled floorings and by an arbour with tuff pavement.

This property is accessed from a main private road, which is the one leading to the Banditella area,

and it has two different entrances, each with its own parking lot, which are also part of the property. Like the rest of the farmstead, the buildings are in a pinkish-red colour, even if each building is in a slightly different, distinctive tone.

LOCATION

Grosseto is the main city of the Maremma, a charming area in Tuscany with fantastic, wild and untouched natural settings.

The city, with its three kilometres of towers and fortifications, was actually a military stronghold in the 16th century, surrounded by a very varied territory featuring woods, beaches and protected natural reserves.

The city still keeps its Medieval looks today; its historical centre, in fact, is similar to an old hamlet with invaluable monuments and architectural treasures.

The river Ombrone runs through the city, which is just a few kilometres from one of Tuscany's most beautiful seas.

Clear blue waters, enchanting cliffs, luxuriant pine forests and incredible luxury villas perched on the rocks or tucked in among the hills are just a few of the wonderful things you can admire in Grosseto's area.
